Sakshi Gade

B.SC. COMPUTER SCIENCE STUDENT

Motivated B.Sc. Computer Science student (CGPA: 8.89/10) with a strong interest in both technology and project management. I enjoy working with people, organizing tasks, and finding simple solutions to problems. Through my project *Harmony Hub*, I gained experience in planning, teamwork, and presenting ideas clearly. I have a growing knowledge of Python and SQL, and I am eager to learn more through real-world opportunities. My goal is to build a career where I can combine technical skills with management abilities to make a meaningful impact.
